

A photograph of a man in a dark blue polo shirt smiling while looking at his smartphone in a kitchen setting. The background shows a white tiled wall, a window with a plant, and kitchen items on a counter.

Verify your income in minutes, not days

**Brighte uses the Australian Government's
Consumer Data Right system to securely
verify your income.**

Recommended

Fast-tracked verification

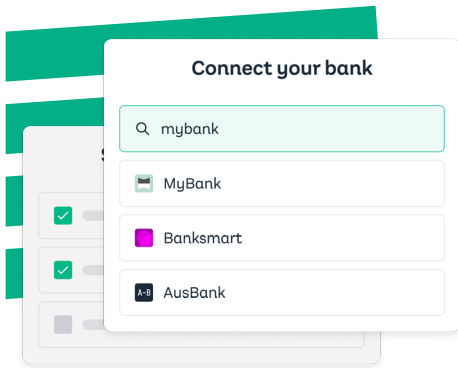

- Takes around 3 minutes
- Secure and encrypted
- Speeds up your loan approval

Manual verification

- Upload payslips, an income tax return or bank statement
- Documents may be reviewed by our credit assessors

How it works

- 1** Simply select **fast-tracked verification** in your application instead of uploading documents.
 - 2** Securely connect your **bank account**, and we get read-only access to your income data.
 - 3** We securely **analyse and verify your income**, usually within a few minutes.
- ✓ **That's it.** No paperwork, no document uploads, just a faster way to verify your income.

Safe. Secure. Government-Regulated.

- Protected under Australian Government Consumer Data Right laws
- Data is encrypted and read-only
- No passwords are stored
- Withdraw access at any time
- Consent expires 30 days after you grant it

Brighte accesses your banking data only with your explicit consent through accredited Consumer Data Right providers. Data is read-only and used solely to assess suitability for Brighte's financial products.
