

AGRI SERVICES LTD.

Pasture Walk & Talk

Featuring Special Guest Speaker

BRYAN SANDERSON
Alltech, US Beef Business Manager

The Real Truth About Cows and Carbon

Bryan grew up in rural South Dakota where he has been involved in many different areas of livestock and crop production, including hands on experience in both cow/calf and feedlot operations. Bryan received his B.Sc. in Animal Science from South Dakota State University and spent 12 years in beef feed sales and feedlot management. Prior to joining Alltech, Bryan served as the Director of Ag Development for the State of South Dakota. He is actively involved in the beef industry and currently serves as the Beef Business Manager for Alltech in the USA.
